WHAT CAN YOU DO!!!

Self-protection means knowing how to avoid being the victim of a crime and knowing what to do if you are a victim. Most crimes are crimes of opportunity.

When parking your vehicle, make sure not to leave valuables in plain view. Secure items such as: Laptops, GPS units, Radar Detectors, and Radio Face Plates in the trunk of your car out of sight. If possible, secure mounting hardware out of sight. This can be an indication to thieves that a device may be in your vehicle. As always, be vigilant of suspicious activity in and around campus. Report all suspicious persons and crimes on campus to NCCU Police Department Immediately.
